

# Hamza Malik

Web Developer / Vector Artist

[www.hamza7malik.github.io/portfolio/](http://www.hamza7malik.github.io/portfolio/)

I have been a freelancer for over 6 years now and along this journey I have learned a lot about effective communication, outselling, customer satisfaction, and most importantly, self-learning. I've spent most of my time learning and then selling my acquired skills, therefore I'm very comfortable with learning newer skills.
